'Live to Learn, Learn to Live'

10th December 2018

Dear Parent/Carers/Guardians,

Due to the new legislation and guidance around Looked After and Previously Looked After children, we are writing to all of our parents to gather information about whether or not any of our children here at Hawthorn Tree Primary School are in, or have even been in, the care of the local authority ie foster care, or any kind of special guardianship, child arrangement or adoption order.

<https://www.gov.uk/government/publications/promoting-the-education-of-looked-after-children>

The government is advising schools that additional funds can be acquired for these children to help improve their education, support and access to wider curriculum.

If you would be kind enough to contact the school with evidence of your child's involvement with Local Authority Care (LAC) we would be most grateful and will endeavour to use that information to access the additional funding on offer to your child.

Yours sincerely,

A handwritten signature in black ink that reads 'J. Kelwick'.
