4 March 2019

Dear Parents/Carers,

Starlincs Planetarium will be coming into school on Tuesday 19th March for a presentation relating to the current Year 5 Science topic 'Earth and Space'. The presentation will cover how we have day and night and why we see the phases of the Moon. It will also cover all of the planets in the solar system and the stars and constellations.

We are asking parents for a contribution of £1.94 per child towards the cost of the presentation. If your child is in receipt of Pupil Premium funding, the requested contribution will be reduced to £1.

Please give payment via ParentMail in the 'Payments' section by Wednesday 13th March. *Please note our **only method of payment is via ParentMail.***

Yours sincerely,

Mrs Graves, Mr Brady and Mrs Brennan
Year 5 Class Teachers
